

Create a piece of artwork based on the landscape around a historic castle.

Create a picture inspired by Paul Klee's Castle and Sun.
Research what is meant by Cubism.

Design a coat of arms for my family.

Blank Shield Template

Inspired by the painted ceilings found in castles throughout Scotland, re-enact the experience of creating a painted ceiling by taping paper under a table and drawing in this position.

Listen to music that would have been played in the mustrals gallery, share how I feel about this music.

Find out about a local castle and write down some facts about it.

Compare castles from another country and create a poster showing the similarities and differences.

Find out about primary and secondary sources.

Give three examples of each. **Primary and Secondary Sources**

Research why castles were built in positions and create a presentation showing the advantages of where castles were built.

Write down a list of historical jobs within a castle.

Compare the diet of the different people who lived in the castles. Choose a person from the castle and compare their meals to my own.

Take some time to wind down by exploring the mindful colouring pages of castles. **Scottish Castles**

Mindful Colouring

Find out about jobs today which keep the history of castles alive. Write down what skills might be required for one of these jobs. Create a job advert for a role in a castle.
