

Snow Day Activities P4

January 2024 (2)

Skills Time

Play in the Snow! We don't often get snow like this so take the chance to experience it with family or friends.

You could include some science and build an igloo with 'snow blocks' (use an empty tub to pack in snow to make blocks) or try making some 'frozen bubbles'.

Reading Skills

You can work on your reading skills using *Comprehension Crane*. Read the short passages and use the 'crane' to select the correct answer.

www.roomrecess.com/mobile/ComprehensionCrane/play.html

Numeracy

Here is an online colouring puzzle using times tables - select the table you want to focus on.

<https://www.cokogames.com/colour-by-multiplication/play/>

Literacy

Use your skimming and scanning skills to complete the online Winter Wordsearch. Click on the link above.

[Winter Word Search \(thewordsearch.com\)](http://thewordsearch.com)

Use some of the words to create some **alliterative phrases**, for example- soft snowflakes or cosy coats.

SODA

Work on your mental maths and try some of the SODA Exercises or select some Daily Ten exercises.
