

Home Learning - January 2024

You can complete these activities in any order. 😊

Thursday	Friday
NUMERACY - Addition & Subtraction Please find worksheets available on Teams in the 'Home Learning' channel for your maths group. Please see 'Files' on our Home Learning channel to access worksheets.	Numeracy - Times Tables Please find worksheets available on Teams in the 'Home Learning' channel for your maths group. Please see 'Files' on our Home Learning Channel to access worksheets.
LITERACY - Imaginative Writing Write an imaginative story about the weather. What problems could your character face in the terrible snow? How could you resolve this? OR Make a snowman or the ultimate hot chocolate and write instructions on how to make it. Post a photo of your creation on teams.	LITERACY - Scottish Poems Practice your chosen Scottish poem at home. Extension Task - Create a comic strip based on your poem, sequencing the events that take place in the poem through pictures. 'The Sair Finger' - What happens at start? What happens in the middle? How does it end? Split this into 8 boxes.
TOPIC - Our Scottish World <u>Burn Supper</u> Make a menu for a Burn's Supper. Think about starters, mains and deserts. <u>Tartan</u> Research different tartans. Does your surname have a tartan? E.g., The Wallace Tartan. Can you design it? Can you design your own tartan?	HEALTH AND WELLBEING - Active Complete a Joe Wicks workout and record the effects it has on your body. For example, taking a pulse rate or checking with how you feel after doing it. Compare and contrast the pros and cons/benefits or barriers to participating in these kinds of activities, like the workout you have just completed.
