

P6 Home Learning - January 2023

<u>Addition and Subtraction</u>	<u>Times Tables</u>	<u>Spelling</u>	<u>Writing</u>	<u>Poetry</u>	<u>Outdoor Learning</u>
Practice your adding and taking away using chimney sums. (Sheet on teams)	Practice quick times tables with someone at home. How far can you go?	Write a short story using our /ai/ and /sh/ codes. Make a list of all the codes that make these sounds.	Write an imaginative story about the weather. What problems could your character face in the terrible snow?	Practice your Scottish poems at home. We will be presenting these on Monday.	Try to make something out of snow. What can you create? Share your creations on our class teams page.

These can be completed in any order and at your own pace, should you choose to complete them. Feel free to get in touch with any questions.

Kind regards,

Miss Keller, Miss Macleod and Mrs Craig.
